

CODO AI Innovations

Mission: To catalyze a digital revolution in Malappuram by empowering 1,00,000 individuals through our intensive one-month online mentorship program. We aim to equip them with advanced skills in Robotics, AI-Integrated Advanced Digital Marketing, Web Design and Development, Python Full-stack Development, Machine Learning, Data Science, and Figma.

Vision: Leading Malappuram into a future where every individual thrives in the digital economy through cutting-edge education and mentorship.

Values: Innovation, Excellence, Inclusivity, Transformation.
